Dear Ms. Nicola Page,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protestant File of the Dockets listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2018-318-E - Application of Duke Energy Progress, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order
- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow the Dockets and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Dockets at the links listed below:

To Whom It May Concern,

I am opposed to Duke Energy's proposal to increase residential rates 12% on average. My main concern is their proposal to more than triple its residential facilities charge while decreasing the per-kilowatt usage rate. This discourages consumers from conserving energy. It will also disproportionately increase the rates of households that conserve energy. South Carolina needs an energy policy that promotes cleaner energy and energy conservation.

Kind Regards,  
Nicola Page
